## Tournament & Event Professional Services Options

*Below is a description of event options available at Glen Acres Golf & Country Club*

### Shotgun Tournaments – 9 or 18-Holes

**Full Rental of the Course for up to 72 Players.** This kind of tournament is usually played as a scramble (better ball) event. This format has four (or five) players in a group tee off on each hole, the team as a group decides on the best drive, then all players hit from this position. This continues until the “team ball” is holed. Extra fun formats for this type tournament include: Longest Drive holes (usually 2 divisions), Closest to the Pin holes (usually multiple divisions), Straightest Drive hole (one division). This event typically takes a total of 8 hours start to finish: registration, pre-shotgun announcements, 5-hour round, post-round barbeque/awards.

### “Short on Time” 9-Hole Events & Socials – Tee Times

**Nine-Hole events for groups up to 72 Players.** This event type is designed as a casual “fun” golf outing for corporate team-building, as a social beginner/intermediate golfer activity, or as a less expensive & less time consuming activity for charitable organizations. Extra fun formats for this type tournament include: Closest to the Pin competitions on every hole, Straightest Drive hole (one division), perhaps alternative golf club usage (tennis racket, hockey sticks) This event typically takes a total of only 4 hours start to finish: registration, pre-shotgun announcements, 2- hour round, post-round barbeque/awards.
