As many of you know, Jeremy Bakke began having seizures 7 years ago due to a traumatic brain injury. During these years Jeremy, his family and friends have learned a lot about living with epilepsy. But, the most significant thing Jeremy has learned is how important it is to keep Livin' the dream in spite of it! With that in mind, \$15 of each golf entry fee and \$5 of each 'lunch only' fee will go directly to the NW Epilepsy Foundation Research Department. Our hope is one day there will be a cure for epilepsy. Register now and remember to invite your friends to play. Just click on "Tell a Friend" and you can send them a link to this site automatically.

Thank you for your support of the NW Epilepsy Foundation. <https://www.epilepsynw.org/>

Come enjoy the day with us..."Livin' the Dream!"
